

Blue Heron Section and Audubon Trail Section of the Riverfont Trail

There is no charge to ride the Blue Heron Section of the Riverfront Trail or the Audubon Trail. However, you **MUST** pay an entry fee or have a Colorado State Parks pass if you want to ride the trail through Connected Lakes State Park or any of the other trails in the state park.

In the spring of 2019, a portion of the Blue Heron Section washed out. The detour around this portion of the trail routes you on to a sidewalk adjacent to Riverside Parkway, a busy road with fast traffic. Be sure to watch for cars crossing the sidewalk at driveways.
